## Schoolhouse

Enlarge the foundation pattern 200% to make a 9" finished block.

Use colors of your choice for the schoolhouse and sky.

The block is assembled using foundation paper piecing techniques. Sew each section and then join the sections to complete the block.

Embellish as desired, using your imagination and creativity to make school fun!

This block pattern was modified from a block in the EQ6 Block Library. For more great patterns for quilts, fashion accessories, organizational products and other fun things, please visit my website: [www.byannie.com](http://www.byannie.com).
