

# Hoot 'n' Annie Owl Softies

## REALLY IMPORTANT NOTE!

Unfortunately the seam lines for some of the pattern pieces did not show up when these patterns were printed. And, unfortunately, I simply cannot figure out how to get them to transfer in the PDF file. They show up on my screen but don't show up when printed! Computers!?!#! Gotta love 'em.

Anyway, please be sure to **add a 1/4" seam allowance when cutting out the following pieces:**

page 4:

Hoot — Piece A Head  
Hoot — Piece B Body Front  
Hoot — Piece E Wing  
Hoot — Piece K Tie

page 6:

Annie — Piece A Head  
Annie — Piece B Body Front  
Annie — Piece D Base  
Annie — Piece E Wing

page 5:

Hoot — Piece C Body Back  
Hoot — Piece D Base

page 7:

Annie — Piece C Body Back

No seam allowance should be added on the feet, eyes, or beaks. **Everything else on pages 4 through 7 needs a 1/4" seam allowance added.** Seam allowance is already included in legs, pants, etc.

My apologies . . . happy stitching! Annie
