Learn easy techniques for quilting with Soft and Stable, installing zippers, making sturdy straps, and finishing with beautiful bindings as you make these sturdy and useful backpack purses.

Class Supply List

In this class you may make *either* the Back At Ya mini backpack *or* the Got Your Back backpack. You will need the following supplies in class:

- ☐ **Back At Ya 2.1 pattern or Got Your Back 2.1 pattern** — pattern must be purchased BEFORE class so that student may gather supplies, cut out and quilt fabrics.
- ☐ **All fabrics and supplies as listed on pattern cover (see next page)**

ALSO BRING TO CLASS

- ☐ Sewing machine in good working order with walking foot, 1/4" foot, and zipper foot. Don't forget the extension table for your machine.
- ☐ Rotary cutter and rulers
- ☐ Basic sewing kit, including #90/14 topstitch needles, Wonder Clips, ByAnnie's stiletto/pressing tool, pins (we like using extra-fine silk pins as well as the large yellow-topped quilting pins), scissors, thread, chalk marker or similar tool for marking lines, washable school glue stick, bodkin or large safety pin, turning tool, etc.

BEFORE CLASS

- ☐ To make best use of class time, please complete all of step **I. CUT AND QUILT** on pages 2-3 of the pattern *BEFORE* coming to class.
 - ☐ a. Begin by gathering the supplies for your project.
 - ☐ b. Then cut out the fabrics, Soft and Stable, mesh, interfacing, and strapping, being sure to attach labels to all pieces as you cut.
 - ☐ c. Then quilt the appropriate pieces, cut out and label pieces from the quilted fabric, and seal their edges.
