Class Description

This handy zippered bag with attached handles will store and carry all your essentials — or make a quick and easy gift!

Fabric quilted with Soft and Stable gives great body and stability and ensures long-lasting wear.

The *Easy Does It* pattern is a perfect way to learn many of the basic techniques used to make ByAnnie patterns.

As you make this useful bag, you will learn how to:

- Quilt fabric with Soft and Stable
- Attach a zipper to Zipper Strips made from quilted fabric
- Join Zipper Strips to Side Strip and bind edge for a flat finish
- Join three-dimensional pieces
- Bind raw edges on dimensional bags (including tips for going around corners, joining ends, and finishing binding)

These are all skills used in many of our patterns (including our larger travel bags/backpacks), so you'll be well on your way to many other bag-making adventures once you've mastered these techniques!
