## Class Description

Learn the secrets to making bags that look like you bought them -- not like you made them!

Annie will share techniques for working with Soft and Stable, installing zippers, making adjustable carrying straps, and more.

I'll Drink to That is perfect for safely carrying a variety of beverages, glassware, and snacks!

This handy carrier has two zippered front pockets and a removable, collapsible four-section padded inner divider which cushions and protects up to four standard-sized (750ml) bottles of wine or an assortment of bottles and glasses, bottle openers, napkins, snacks and more.

The flap on the top of the bag zips closed to keep everything safe and secure. Or, if the bag isn't full, the flap may be folded over and closed using hidden magnetic snaps.

There are two options for carrying the bag:

a padded handle on top

an adjustable, detachable carrying strap

- ☐ Rotary cutter and rulers
- ☐ Basic sewing kit, including #90/14 topstitch needles, Wonder Clips, a stiletto, pins (the large yellow-topped quilting pins work best), scissors, thread, chalk marker or similar tool for marking lines, etc.

## BEFORE CLASS:

- ☐ To make best use of class time, please cut out the fabric and Soft and Stable according to the Cutting & Quilting Instructions on pages 2 of the pattern.
- ☐ Then layer, quilt, and cut out the pieces as directed in Step I (A, B, and C) on page 2 of the pattern BEFORE coming to class.

<sup>°</sup>Not suitable to directional fabrics. Additional yardage and adjustments to layouts will be required if using directional fabrics. \*\*There is sufficient fabric to cut the Inner Divider and Inner Divider Lining pieces from the main and lining fabrics, but for added interest, an additional fabric was used for the Inner Divider on the cover model. To use different fabrics for those two sections, you'll need  $\frac{3}{4}$  yard of each. \*ByAnnie's Soft and Stable<sup>®</sup>, handbag zippers, strapping, hardware, and more are available at [www.ByAnnie.com](http://www.ByAnnie.com)

Special thanks to Windham Fabrics for the fabrics used for the model on the pattern cover. Ask for *Makers Home* by Natalie Barnes of Beyond the Reef Quilting at your local quilt shop.
