

Project Bags 2.0

Class Description

Learn easy techniques for quilting with Soft and Stable, sewing on vinyl, installing zippers, and binding as you make these handy project bags.

Great for organizing everything you need for each of your projects, the handy totes in four sizes have sturdy quilted bases and fun fabric details.

A zippered closure keeps everything safe and secure and a see-through vinyl window allows you to see at a glance what is in each bag.

Quick and easy to make, the bags make great gifts, too!

Class Supply List

In this class you may make any size of the Project Bags in the pattern.

We recommend that you concentrate on one of the larger sizes so that you will understand the process for the others.

You will need the following supplies in class:

- ☐ **Project Bags 2.0 pattern**
- ☐ **Fabric and supplies as listed on pattern back cover** (see next page)

ALSO BRING TO CLASS

- ☐ Sewing machine in good working order with walking foot, ¼" foot, and zipper foot. If you have a nonstick/Teflon foot for your machine, bring it, too, to facilitate stitching on the vinyl. Don't forget the extension table for your machine, too.
- ☐ Rotary cutter and rulers
- ☐ Basic sewing kit, including #90/14 topstitch needles, Wonder Clips, a stiletto/pressing tool, pins (the large yellow-topped quilting pins work best), scissors, thread, chalk marker or similar tool for marking lines, etc.

BEFORE CLASS

- ☐ To make best use of class time, please gather your supplies and complete all of step **I-A. Cut** on page 2 of the pattern BEFORE coming to class.
- ☐ If you feel comfortable with machine quilting, you may also complete steps **I-B. Quilt** and **I-C. Cut Quilted Fabric and Seal Edges** on page 3 to quilt and trim the pieces for the size bag that you are making.
