

# Room With A View

## Class Description

Control the clutter with these sturdy zippered bins in three versatile sizes. Vinyl front windows make identification of contents quick and easy.

Each size is designed to coordinate well with standard-sized cube shelves (such as the IKEA Kallax type), allowing you to not only become more organized, but also to decorate your room.

## Class Supply List

- ☐ **Room With A View pattern**
- ☐ **Fabric and supplies as listed on pattern back cover** (see next page)

## ALSO BRING TO CLASS:

- ☐ Sewing machine in good working order with walking foot, 1/4" foot, and zipper foot. If you have a nonstick/Teflon foot for your machine, bring it, too. It will facilitate sewing on vinyl. Don't forget the extension table for your machine, too.
- ☐ Rotary cutter and rulers
- ☐ Basic sewing kit, including #90/14 topstitch needles, Wonder Clips, a stiletto, pins (the large yellow-topped quilting pins work best), scissors, thread, chalk marker or similar tool for marking lines, etc.

## BEFORE CLASS:

- ☐ To make best use of class time, please gather all supplies and complete ALL of **I. CUT** and **II. QUILT AND CUT** on pages 2 and 3 of the pattern BEFORE coming to class.
  - ☐ a. Begin by gathering supplies and cutting out the fabrics and Soft and Stable.
  - ☐ b. Then layer and quilt the selected pieces. Pay careful attention to the instructions in step II-A. For Quilted Set A, you will quilt ONLY the main fabric to the Soft and Stable. For Quilted Set B (step II-B), you will quilt the main AND lining fabrics to the Soft and Stable.
  - ☐ c. Finally, follow step II-C to cut out the quilted pieces and seal their edges.
