

# Tools of the Trade

## Class Description

Carry everything you need in these sturdy organizers in two sizes.

The front zips open for easy access to rulers, cutting mats, sketchbooks, tools, and supplies.

The small portfolio holds a 12" x 18" mat; the large holds an 18" x 24" mat.

The bags feature long handles for over-the-shoulder or cross-body carrying along with abundant pockets and dividers, inside and out.

Learn easy techniques for working with Soft and Stable, sewing with mesh and fold-over elastic, installing zippers, making handles and straps, attaching smooth, wrinkle-free bindings, and more as you make these versatile carrying cases.

## Class Supply List

- ☐ **Tools of the Trade pattern**
- ☐ **Fabric and supplies as listed on pattern back cover** (see next page)

## ALSO BRING TO CLASS:

- ☐ Sewing machine in good working order with walking foot, 1/4" foot, and zipper foot. Don't forget the extension table for your machine.
- ☐ Rotary cutter and rulers
- ☐ Basic sewing kit, including #90/14 topstitch needles, Wonder Clips, a stiletto, pins (we prefer both the large yellow-topped quilting pins and extra-fine silk pins), scissors, thread, chalk marker or similar tool for marking lines, etc.

## BEFORE CLASS:

- ☐ To make best use of class time, please gather all supplies and complete ALL of step I. Cut and Quilt on pages 2 and 3 of the pattern BEFORE coming to class. Begin by gathering supplies and cutting out the fabrics and Soft and Stable. Then layer and quilt the selected pieces. Finally cut out the quilted pieces and seal their edges. Be sure to attach labels (included in the pattern) to everything as you work.
