Class Description

Zippered pouches in five sizes are perfect for storing and carrying makeup, sewing supplies, tech gear, and more.

You may quilt the fabric or leave it unquilted and add optional iron-on vinyl laminate for a wipe-clean interior.

Double-slide zippers and handy grab tabs make the bags easy to open wide; attached side panels prevent contents from falling out. An optional strap with swivel hook may be added.

When empty, the bags nest to save space.

Handbag zippers* to match fabric

TIP: We prefer double-slide zippers on each bag, but they can be made with just one slide if you prefer. One 24", one 30", and one 40" zipper with five extra pulls will make double-slide zippers for all five bags. Alternatively (and most cost-effectively), one Zipper by the Yard will make zippers for all five bags with about 50" of zipper tape and 6 zipper slides left for other projects.
