## Class Description

This handy folding wrap has a strap closure and coordinating zippered bag.

Iron-on vinyl interfacing makes an easy-to-clean lining, and mesh and vinyl pockets provide plenty of storage options.

Learn techniques for attaching the vinyl interfacing, working with Soft and Stable, sewing with mesh and vinyl, and installing zippers.

## Class Supply List

- ☐ Glo and Go pattern
- ☐ All fabric and supplies listed on the back cover of the pattern including ByAnnie's Soft and Stable, mesh, clear vinyl, handbag zippers, strapping, fold-over elastic, and hardware.

## ALSO BRING TO CLASS:

- ☐ Sewing machine in good working order with a walking foot,  $\frac{1}{4}$ " foot, and zipper foot. If you have a Teflon foot, bring it, too, to facilitate stitching on the vinyl. Don't forget the extension table for your machine.
- ☐ Rotary cutter and rulers
- ☐ Basic sewing kit including #90/14 topstitch needles, Wonder Clips, a stiletto/pressing tool, pins (the large yellow-topped quilting pins work best), scissors, thread to match fabrics, chalk marker or similar tool for marking lines, etc.

## BEFORE CLASS:

# Glo and Go

Carry your must-have makeup, brushes, tools, toiletries, and more wherever you roam! This handy folding wrap with strap closure and coordinating zippered bag make it easy to store and organize all your essentials in style.

Iron-on vinyl interfacing makes an easy-to-clean lining for the wrap and bag. Mesh pockets provide visible storage and expand for bulky items. A clear vinyl flap at the top of the wrap keeps everything safe, secure, and clean.
