Class Description

These easy-to-make bags in four styles feature zippered pockets on the front and a full-size mesh pocket on the back to hold all your sewing needs. Learn techniques for working with Soft and Stable, mesh, vinyl, and zippers.

Class Supply List

We will make one Style 2 Pocket Packer in class.

You will need:

- ☐ Pocket Packers pattern
- ☐ All fabric and supplies for Style 2 listed on the back cover of the pattern including ByAnnie's Soft and Stable, mesh, vinyl, and handbag zippers.

ALSO BRING TO CLASS:

- ☐ Sewing machine in good working order with a walking foot, 1/4" foot, and zipper foot. If you have a Teflon foot, bring it, too, to facilitate stitching on the vinyl. Don't forget the extension table for your machine.
- ☐ Rotary cutter and rulers
- ☐ Basic sewing kit including #90/14 topstitch needles, Wonder Clips, a stiletto/pressing tool, pins (the large yellow-topped quilting pins work best), scissors, thread to match fabrics, chalk marker or similar tool for marking lines, etc.

BEFORE CLASS:

To make best use of class time, please complete these steps BEFORE coming to class:

- ☐ Complete everything in step I. CUT AND QUILT on pages 2 and 3 of the pattern for a STYLE 2 bag. This includes cutting out everything needed for that bag as well as quilting the fabric and cutting the Bag Body from the quilted fabric. Remember to seal the edges and to attach labels to everything, too.
