Class Description

Learn the secrets to making bags that look like you bought them -- not like you made them!

Annie will share techniques for working with Soft and Stable, installing zippers, making sturdy handles and stabilizer sleeves, and more.

These handy carriers are perfect for potlucks, tailgating, family gatherings, or parties. ByAnnie's Soft and Stable gives great stability to the carriers as well as insulation to keep food hot or cold.

The Casserole Carrier carries a standard 9" x 13" casserole dish. Zippered pockets on top and bottom will hold utensils, napkins, a cutting board, and more. There's even an inner mesh slip pocket for a hot/cold pack. The Pie Carrier is perfect for pies (even deep dish!) or cupcakes.

Each carrier features sturdy handles for easy carrying as well as a place to insert a base stabilizer for extra stability.
