## Class Description

This handy zip-up Tool Case stores and carries rotary cutters, scissors, and more. The case measures 9½"H x 12½"W x 1½"D when closed and 12½"H x 20½"W when open.

A variety of easy-to-access pockets in vinyl, mesh, and quilted fabric can be customized to fit the tools you use and love.

Learn easy techniques for quilting with Soft and Stable, sewing with mesh and vinyl, installing zippers, and binding as you make the case.

## Class Supply List

In this class we will make the *Running With Scissors* tool case. You will need the following supplies in class:

- ☐ ***Running With Scissors* pattern**
- ☐ **All fabric and supplies listed on back cover of pattern** including ByAnnie's Soft and Stable, mesh, vinyl, strapping, foldover elastic and handbag zippers.

*TIP: We also recommend the companion pattern *Take A Stand* (sold separately) for totes in two sizes specially designed to use as a base on which to prop the case for easy access or to carry the case and more.*

## ALSO BRING TO CLASS:

- ☐ Sewing machine in good working order with walking foot, 1/4" foot, and zipper foot. If you have a Teflon foot for your machine, bring it, too, to facilitate stitching on the vinyl. Don't forget the extension table for your machine.
- ☐ Rotary cutter and rulers
- ☐ Basic sewing kit, including #90/14 topstitch needles, Wonder Clips, a stiletto/pressing tool, pins (the large yellow-topped quilting pins work best), scissors, thread, chalk marker or similar tool for marking lines, washable school glue stick, etc.

## BEFORE CLASS:

To make best use of class time, please cut out everything for the project and quilt (and cut) the appropriate pieces according to the instructions on page 2 of the pattern **BEFORE** coming to class. Please complete everything in step **I. CUT AND QUILT**.
