## Class Description

Stand-up totes in two sizes (see sizes of each on next page) have an easy-to-install zippered top that opens wide for easy access to contents.

Each tote features an adjustable, detachable carrying strap plus two outer zippered pockets and two inner mesh pockets.

Learn easy techniques for quilting with Soft and Stable, sewing with mesh, installing zippers, and binding as you make the tote.

## Class Supply List

In this class you will make either the small or the large Take A Stand tote. You will need the following supplies in class:

- Take A Stand pattern**
- All fabric and supplies listed on back cover of pattern** including ByAnnie's Soft and Stable, mesh, strapping, foldover elastic, and handbag zippers.

*TIP: We also recommend the companion pattern Running With Scissors (sold separately) for a handy tool case designed to be used with these totes.*

## ALSO BRING TO CLASS:

- Sewing machine in good working order with walking foot, 1/4" foot, and zipper foot. If you have a Teflon foot for your machine, bring it, too, to facilitate stitching on the vinyl. Don't forget the extension table for your machine.
- Rotary cutter and rulers
- Basic sewing kit, including #90/14 topstitch needles, Wonder Clips, a stiletto/pressing tool, pins (the large yellow-topped quilting pins work best), scissors, thread, chalk marker or similar tool for marking lines, washable school glue stick, etc.

## BEFORE CLASS:

To make best use of class time, please cut out the fabric pieces and quilt the appropriate pieces according to the instructions on page 2 of the pattern **BEFORE** coming to class. Please complete everything in section I. CUT AND QUILT.
