

Ultimate Travel Bag

Class Description

Learn the secrets to making bags that look like you bought them — not like you made them!

Annie will share techniques for working with Soft and Stable, installing zippers, making adjustable carrying straps, and more.

The perfect travel companion, this functional bag is carry-on compliant and sure to turn heads wherever you go.

A comfortable padded adjustable carrying strap and quick-grab side handles make it convenient for all sorts of travel.

With a zippered and slip pockets on the front, back, and ends as well as a full zippered mesh pocket and three more mesh slip pockets inside, the bag will keep everything organized and close at hand.

A trolley sleeve on the back enables the bag to be attached to rolling luggage and buttons on the bottom reduce wear and tear.
