*You'll always have the right needle close at hand when you store them in these convenient cases. Lots of pockets and see-through divisions provide plenty of space for organizing both hand and machine needles, loose or packaged. The Large Needle Case is about 10" x 13" when open and folds to about 10" x 6½". The Small Needle Case is about 4" x 9½" when open and folds to about 4" x 4¾".*

*Included in the pattern are several handy charts detailing needle types, characteristics, sizes and applications.*

*You will love the way the wool pincushion lubricates and preserves needles and pins — they slide in and out "like buttah!"*

*Quick and easy to make, the needle cases and pincushion are perfect gifts for anyone who sews.*
