Bella Quilt Coat STARTER PATTERN

The Bella Quilt Coat is a relaxed-fit quilted jacket that is fully lined with set-in sleeves, inseam pockets, a zippered front closure with guard, and a sporty collar. Choose from two views and get creative styling your coat with your own appliqué, foundation paper piecing, or blockwork.

Choosing your size: This is a made-to-measure garment available in a range of 10 sizes. Use the chart and illustrated guide included in the instruction booklet to measure for your ideal fit.

Bella Hood EXPANSION PACK

Add another layer of style with your choice of two versatile hood options to elevate both the function and style of your Bella Quilt Coat. The Attached Hood replaces the collar for a clean, integrated look, while the Removable Hood can be added to a new or existing Bella Quilt Coat for added flexibility.

Both hood designs feature a refined three-piece construction that provides excellent shape, contour, and fit — so it looks as good as it feels.

QE105 pattern only • \$14.95

Note: The Bella Quilt Coat Starter Pattern is required to add a hood to your coat.
